## **The Safe Disposal of Expired Flares**

As of May 9<sup>th</sup>, 2011, Ellice Recycle will accept signal and distress flares for disposal. The flares are collected at the diversion facility at 524 David Street, Victoria BC and sent to a trusted partner who separates the plastic for recycling and disposes of the combustible material safely.

There have been limited options for the safe and environmentally responsible disposal of expired flares. Ellice Recycle wishes to assist the public by ensuring these potentially hazardous items are disposed of in compliance with all relevant regulations and in a manner that has as little impact on the environment as possible.

Flares will be accepted from 9:00am-5:00pm Monday-Friday and 12:00pm to 2:00pm on Saturdays. Appointments can be made outside of these hours by calling (250) 386-4342.

### **Prices:**

\$1 per flare gun shell

\$4 per handheld flare

\$9 per rocket flare, parachute flare or smoke flare

\*Prices are subject to change
